### Example Paragraph

Last summer, my family and I went on a holiday to Antalya. It is a gorgeous seaside city. We stayed at an all-inclusive hotel by the beach. I swam in the sea and lay on the beach every day. We also visited some historic sites and tasted local dishes. The food was delicious! My favourite place was the ancient city of Aspendos. The amphitheater there was incredible. I bought some souvenirs for my friends. It was a fantastic and relaxing holiday. I want to go there again!
